

# STUDENT AWARDS & RECOGNITIONS

---

At **PSGIMSR**, we firmly believe in recognising and celebrating the accomplishments of our students. As a testament to our commitment to nurturing excellence, we have instituted a range of awards and prestigious gold medals that are bestowed upon those who display remarkable dedication, exceptional skills and outstanding achievements. These include

## **ACADEMIC AWARDS:**

Students who attain the top rank in their respective subjects during university examinations are awarded medals and certificates as a mark of honour. The ones who achieve the highest overall scores in each phase are also recognised.

## **GOLD MEDALS AND AWARDS**

Management, faculty and alumni have established several gold medals to incentivise and recognise students achievements. These include

### ***Phase 1 students***

- Pravin Sai Raam Memorial Gold Medal for Clinical Anatomy
- Professor A Krishnamurti Gold Medal for Anatomy
- Ruckmani Ammal Memorial Gold Medal for Biochemistry

- Professor K R Shetty memorial Gold Medal for postgraduate student in General Medicine for exemplary commitment to patient care

These awards are not just symbols of recognition but also instruments for encouragement. By setting a high standard of achievement, an environment is created where each student is encouraged to push their limits, embrace challenges and continuously strive for excellence. During our annual graduation ceremony, these accolades are presented in front of peers, faculty and proud parents with grandeur, adding an extra layer of honour to these achievements. We believe that celebrating success fosters a positive academic atmosphere and inspires everyone to pursue their goals with determination and enthusiasm.
